EVERYDAY LIVING

A palette of **classic essentials** that have a functional feel, simple and strong to offer a new more **positive** ideal of neutrality.

Simple stitches and fabrications with a nod to varsity and preppy for **stylish comfort and warmth**. Elevated basics that prioritise sustainability in good quality, low impact yarns with pared down design and details.

Embracing and **appreciating the everyday** things in life, simplifying the aesthetic to reflect relatable ideas and a **creative functionality** that allows for personality and pleasure in our normal day to day lives.

14-3803 TCX

17-4111 TCX

A **youthful view of vintage** and tradition that is softer and quirkier with a focus on **romantic nostalgia**. Knits and yarns feel recycled or upcycled in unusual combinations of texture and pattern creating light and lofty modern day tapestries.

Preserving resources and cherishing what we have has become the mainstay of all fashion giving the need for clothing that has longevity, personality and a **uniquely crafted feel**. Thrifting and up cycling to create personalised combinations with a new more eclectic aesthetic, design casual knitwear with a comforting heritage influence.
